

PURKOTE™

ADAPTIVE NUTRIENT DELIVERY

40-0-0 270 Day

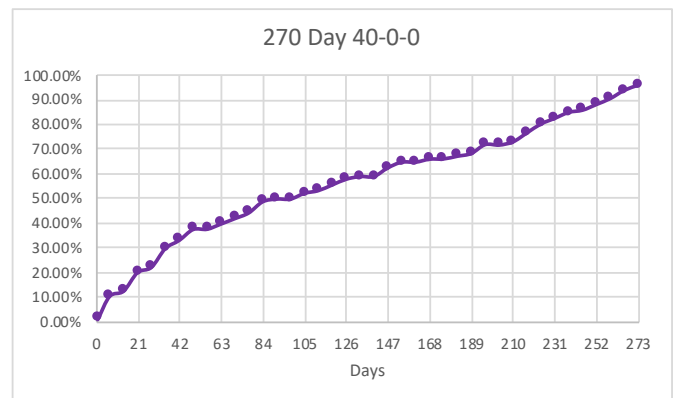

Guaranteed analysis

Total Nitrogen (N)*.....40%
40% Urea Nitrogen

Derived From Polymer Coated Urea

*The nitrogen in this product has been polymer coated to provide 40% slow release nitrogen (N).

*This product has been tested for a 270 day release at 86 F, however product may be fast or slow depending on temperature and soil condition.

About Pursell Agri-Tech LLC.

The Pursell Family has been involved in the agricultural and specialty fertilizers business since 1904, and has long been a pioneering developer of premium controlled-release fertilizer technologies. Pursell Agri-Tech, based in Sylacauga, Alabama, is committed to expanding on this legacy by developing and commercializing sustainable, next generation controlled release fertilizer and coating technologies that economically increase agricultural output and productivity while reducing the impact on the environment.

Manufactured By
Pursell Agri-Tech LLC
104 Calhoun Street
Sylacauga, AL 35150

Caution:
KEEP OUT OF THE REACH OF
CHILDREN. HARMFUL IF
