## ULTRA RX

A premium blend of chelated micronutrients  
and proprietary biostimulants

**Ultra Rx** is a premium blend of Chelated Micronutrients combined with a patented combination of amino acids and proteins that provide physiological bio-stimulation that produce healthy, more stress resistant plants. Ultra Rx is your prescription for healthier plants. Maintaining proper levels of micronutrient usually results in increased plant vigor, better yield as well as more desirable plant quality, size and shelf life. Healthy plants have shown increased resistance to stress caused by excessive dry or wet weather and temperature extremes.
